

## Summer of Fashion at the MQ

The Summer of Fashion at the MQ will foster first-hand experiences with the various facets of the theme of fashion through exhibitions, film programs, performances, fashion shows, designer presentations, discussions, tours, activities for kids and teens, and much more. At the same time, fashion and art will inspire lively discourse and shed light on the interdisciplinary activities of artists and fashion designers working in both fields. The event will kick off on June 14 with the opening of the exhibition "Art and Fashion" at the mumok and a fashion exhibition at freiraum quartier21 INTERNATIONAL.
